As specified in the endorsement
attached hereto and made a part
hereof.

Ambac Assurance Corporation (Ambac), a Wisconsin stock insurance corporation, in consideration of the payment of the premium and subject to the terms of this Policy, hereby agrees unconditionally and irrevocably to pay to the Trustee for the benefit of the Holders of the Insured Obligations, that portion of the Insured Amounts which shall become Due for Payment but shall be unpaid by reason of Nonpayment.

Ambac will make such payments to the Trustee from its own funds on the later of (a) one (1) Business Day following notification to Ambac of Nonpayment or (b) the Business Day on which the Insured Amounts are Due for Payment. Such payments of principal or interest shall be made only upon presentation of an instrument of assignment in form and substance satisfactory to Ambac, transferring to Ambac all rights under such Insured Obligations to receive the principal of and interest on the Insured Obligation. Once payments of the Insured Amounts have been made to the Trustee, Ambac shall have no further obligation hereunder in respect of such Insured Amounts.

In the event the Trustee for the Insured Obligations has notice that any payment of principal or interest on an Insured Obligation which has become Due for Payment and which is made to a Holder by or on behalf of the Trustee has been deemed a preferential transfer and theretofore recovered from its Holder pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court of competent jurisdiction, such Holder will be entitled to payment from Ambac to the extent of such recovery if sufficient funds are not otherwise available.

This Policy is noncancelable by Ambac for any reason, including failure to receive payment of any premium due hereunder. The premium on this Policy is not refundable for any reason. This Policy does not insure against loss of any prepayment or other acceleration payment which at any time may become due in respect of any Insured Obligation, other than at the sole option of Ambac, nor against any risk other than Nonpayment, including failure of the Trustee to make any payment due Holders of Insured Amounts.

To the fullest extent permitted by applicable law, Ambac hereby waives and agrees not to assert any and all rights and defenses, to the extent such rights and defenses may be available to Ambac, to avoid payment of its obligations under this Policy in accordance with the express provisions hereof.

Any capitalized terms not defined herein shall have the meaning given such terms in the endorsement attached hereto or in the Agreement.

In witness whereof, Ambac has caused this Policy to be affixed with its corporate seal and to be signed by its duly authorized officers in facsimile to become effective as their original signatures and binding upon Ambac by virtue of the countersignature of its duly authorized representative.

Capitalized terms used herein as defined terms and not otherwise defined herein shall have the meaning assigned to them in the Insurance Agreement and the Agreement (including Appendix A thereto), without regard to any amendment or modification thereof, unless such amendment or modification has been approved in writing by the Note Insurer.

Notwithstanding any other provision of the Policy, the Note Insurer will pay any Insured Amount payable hereunder to the Securities Administrator on behalf of the Trustee for the benefit of the Holders no later than 12:00 noon, New York City time, on the later of (i) the Payment Date on which the related Insured Amount is due and (ii) the second Business Day following receipt in New York, New York on a Business Day by the Note Insurer of a Notice at the address and in the manner provided in Section 6.02 of the Insurance Agreement; provided that, if such Notice is received after 12:00 noon, New York City time, on such Business Day, it shall be deemed to be received on the following Business Day. If any such Notice is not in proper form or is otherwise insufficient for the purpose of making a claim under the Policy, it shall be deemed not to have been received for purposes of this paragraph, and the Note Insurer shall promptly so advise the Securities Administrator or the Trustee, as applicable, and the Securities Administrator or the Trustee, as applicable, may submit an amended or corrected Notice.

As provided in the third paragraph of the Policy, the Note Insurer shall pay any Preference Amount when due to be paid pursuant to the Order referred to below, but in any event no earlier than the third Business Day following receipt by the Note Insurer of (i) a certified copy of a final, non-appealable order of a court or other body exercising jurisdiction in such insolvency proceeding to the effect that the Securities Administrator, the Trustee, or the Holder, as applicable, is required to return such Preference Amount paid during the term of this Policy because such payments were avoided as a preferential transfer or otherwise rescinded or required to be restored by the Securities Administrator, the Trustee or the Holder (the "Order"), (ii) a certificate by or on behalf of the Securities Administrator, the Trustee or the Holder that the Order has been entered and is not subject to any stay, (iii) an assignment, in form and substance satisfactory to the Note Insurer, duly executed and delivered by the Securities Administrator, the Trustee or the Holder, irrevocably assigning to the Note Insurer all rights and claims of the Securities Administrator, the Trustee or the Holder relating to or arising under the Agreement against the estate of the Securities Administrator or the Trustee or otherwise with respect to such Preference Amount and (iv) a Notice (in the form attached hereto as Exhibit A) appropriately completed and executed by the Securities Administrator or the Trustee; provided, that if such documents are received after 12:00 noon, New York City time, on such Business Day, they will be deemed to be received on the following Business Day; provided, further, that the Note Insurer shall not be obligated to make any payment in respect of any Preference Amount representing a payment of principal on the Class A Notes prior to the time the Note Insurer would have been required to make a payment in respect of such principal pursuant to the first paragraph of the Policy. Such payment shall be disbursed to the receiver, conservator, debtor-in-possession or trustee in bankruptcy named in the Order, and not to the Holder directly, unless the Holder has made a payment of the Preference Amount to the court or such receiver, conservator, debtor-in-possession or trustee in bankruptcy named in the Order, in which case the Note Insurer will pay the Securities Administrator on behalf of the Trustee for the benefit of the Holder, subject to the delivery of (a) the items referred to in clauses (i), (ii), (iii) and (iv) above to the Note Insurer and

(b) evidence satisfactory to the Note Insurer that payment has been made to such court or receiver, conservator, debtor-in-possession or trustee in bankruptcy named in the Order.

With respect to any claim for payment hereunder for an Insured Amount or Preference Amount, the Note Insurer shall be obligated to pay such amount only once, notwithstanding that it may have received a Notice from both the Trustee and the Securities Administrator with respect to such claim.

The Note Insurer hereby agrees that if it shall be subrogated to the rights of the Holders by virtue of any payment under this Policy, no recovery of such payment will occur unless the full amount of the Holders' allocable distributions for such Payment Date can be made. In so doing, the Note Insurer does not waive its rights to seek full payment of all Reimbursement Amounts owed to it under the Insurance Agreement and the Agreement.

The Policy does not cover Home Loan Interest Shortfalls allocated to the Class A Notes, nor does the Policy guaranty to the Holders any particular rate of principal payment. In addition, the Policy does not cover shortfalls, if any, attributable to the liability of the Issuer, any REMIC thereof, the Trustee or the Securities Administrator for withholding taxes due on the payments made to the Holders, if any (including interest and penalties in respect of any such liability) nor any risk other than Nonpayment, including the failure of the Securities Administrator or the Trustee to make any payment required under the Agreement to the Holders. In addition, this Policy does not cover any interest shortfalls resulting from any Extraordinary Trust Fund Expenses payable to any party subject to the Extraordinary Trust Fund Expenses Cap.

The terms and provisions of the Agreement constitute the instrument of assignment referred to in the second paragraph of the face of this Policy.

A Premium will be payable on this Policy on each Payment Date as provided in Section 3.02 of the Agreement, beginning with the First Payment Date, in an amount equal to the Premium.

THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE SEVENTY-SIX OF THE NEW YORK INSURANCE LAWS.

In the event of a payment default by or insolvency of the Issuer, there shall be no acceleration of the payments required to be made under the Policy unless such acceleration is at the sole option of the Note Insurer.

The Note Insurer's obligation to make payment hereunder with respect to a particular Insured Amount or Preference Amount shall be discharged to the extent funds equal to the applicable Insured Amount or Preference Amount are received by the Trustee, the Securities Administrator on behalf of the Trustee or any other paying agent of the Trustee, whether or not such funds are properly applied by the Trustee, the Securities Administrator on behalf of the Trustee or such paying agent.

Nothing herein contained shall be held to vary, alter, waive or extend any of the terms, conditions, provisions, agreements or limitations of the above mentioned Policy other than as above stated.

To the extent the provisions of this endorsement conflict with the provisions in the above-mentioned Policy, the provisions of this endorsement shall govern.

This Policy and the obligations of the Note Insurer hereunder shall terminate one year and one day from the earlier to occur of (a) the date on which all amounts required to be paid to the Holders of the Class A Notes have been paid in full, and (b) the Final Payment Date. Upon the termination of this Policy, the Trustee shall forthwith deliver the original of this Policy to the Note Insurer.

No waiver of any rights or powers of the Note Insurer, the Holders, the Securities Administrator or the Trustee or consent by any of them shall be valid unless signed by an authorized officer or agent thereof.

This Policy is issued under and pursuant to, and shall be construed in accordance with, the laws of the State of New York.
